

## A DELIGHTFUL TRIP THAT RESTS

Both Mind and Body—Cheaper Than Staying at Home—You are Invited To Go

SEVEN DAYS TRAVEL AND PLEASURE FOR \$20.00

For real rest and recreation there is nothing that quite equals a boat trip on the broad Ohio river from Evansville, Ind., to Cincinnati, O., on one of the L. & C. Company's palatial steamers.

The cool pure air, the invigorating river breeze, the inviting parlors and state rooms, the unexcelled edibles, all combine to make life aboard these floating palaces a source of continual enjoyment and unalloyed pleasure. If you wish to know the joy and comfort of one of these trips we invite you to go with the Bee's party on June 19. Read carefully the following description of the trip:

The Earlington Bee will on Monday, June 19, take the six winning contestants and a party of their friends, about 50 in number, to Evansville, Louisville and Cincinnati for a seven days outing. The trip will be as follows: Leave Earlington in a special coach on train 92 at 6:20 Monday morning June 19th., leave Evansville on Steamer Tariscon at 10:00 Am. for Louisville, reach Louisville Wednesday Am., lay over in Louisville until 5 Pm. and leave for Cincinnati on Steamer City of Cincinnati, arrive Cincinnati about 7:30 Thursday Am., lay over in Cincinnati Thursday, Thursday night and Friday until 5 Pm., leave for Louisville on Steamer City of Louisville, arrive in Louisville Saturday Am. and lay over in Louisville until 5 Pm., leave Louisville on Steamer Tariscon and arrive in Evansville Sunday night in time to have special coach put on train 93 for Earlington.

This arrangement gives the party two days and a night in Cincinnati and one day in Louisville going and returning. The party will be met in Cincinnati by a representative of the American Press Association and will visit the Zoological Gardens, Art Gallery and other places of interest, and those who wish may have an opportunity to witness a Big League game.

### COST OF TRIP

The cost of this trip including railroad and steamboat transportation from Earlington to Cincinnati and return, meals and berth, transferring of baggage at Evansville, Louisville and Cincinnati and all expenses except the lay-over in Cincinnati will be \$20.00. This is the longest and best trip we have ever undertaken for the money and covers more interesting territory. The Steamers Tariscon and City of Cincinnati are both large and roomy with exceptionally good fare and nice, clean berths. There is an excellent string band on both steamers and plenty room for dancing, bridge parties and other amusements.

The steamers carry a nice line of soft drinks, fruits and confectioneries for the accommodation of passengers. There are about 50 who have signed up for the trip and we are advised by the steamboat people there will be state rooms sufficient for 200, we would like very much to have you make one of this party and guarantee you a splendid good time. The young girls will be looked after by Mrs. Fawcett, who is an excellent chaperone and has had quite a good deal of experience along this line. If you wish to make this trip with us send a check for \$5.00 on or before June 10th and a place will be reserved for you. The remaining \$15.00

## ST. CHARLES WINS FROM EARLINGTON

Earlington was soundly licked by Jodie Long's bunch of Ball Tossers from St. Charles Sunday afternoon at the ball park in this city. A muddy infield made both pitching and fielding an impossibility, resulting in a game featured by heavy hitting and many errors. The final score reading 14 to 8 favoring the St. Charles boys Rhodes for St. Charles, and Mitchell for Earlington started the game, both were hit freely, Mitchell gave way to King in the third inning and Rhodes gave way to Long in the 6th inning.

The shining features of the day went to the man who could get the muddiest and throw the wildest. The series between the two teams stand one win for each. The 3rd game to be played next Sunday at St. Charles

## DRAGGED TO DEATH NEAR HANSON FRIDAY

Young Son of Roy Griffin Meets With Serious Accident on Farm There

The eleven-year old son of Roy Griffin, living near Hanson, was dragged to death by a plow horse on his father's farm last Friday morning, as he was attempting to ride the animal to the barn yard with the harness on. The lad slipped from the horse's back and in falling his foot caught in the traces. The horse ran for some distance, dragging the boy, inflicting injuries from which he died within a few minutes.

## MAYOR GATLIN AS A SLEUTH

Mayor Gatlin, of Madisonville, seeing signs of blind tigers and bootleggers around the city, took a policeman with him on a little stroll and the two hadn't gone far when they reaped rich results. An old rain barrel at the corner of a negro's residence, apparently full of nothing more than muddy water, was found to contain fourteen quarts of beer. In a chicken house was found both a keg and a case of beer, in quart bottles. Other discoveries of like nature were made in different sections of the city. Mayor Gatlin, besides being a very popular citizen, is sure fulfilling his duties as mayor.

She was a member of the Catholic church. She leaves four children, Mrs. Ernest Arnold, John, Henry and Charles Rock. The funeral took place Monday morning at the Catholic church here. Interment followed in the Catholic cemetery here. We offer our sympathy to the bereaved family and friends.

## J. A. MILLS TO LOCATE IN EVANSVILLE

J. A. Mills, the popular manager of the ladies' ready to wear department of the McLeod Store has tendered his resignation to take effect Saturday, May 27th and leaves for Evansville, Ind., where he goes to accept a place with the William Hughes Department Store of that city as manager of the ladies' ready to wear department.

Mr. Mills has been with the McLeod Store for about five years, going to Madisonville from Owensboro, where he had charge of the same department for the S. W. Anderson chain of stores for twelve years. Since going to Madisonville Mr. Mills and family have made many warm friends who regret to see them leave. His successor has not been appointed by the McLeod Store.

We wish to commend Mr. Mills and family to the good people of Evansville for in them they will get the best type of citizenship and Christian character.

## FISCAL COURT

Fiscal court was in session last Saturday and considerable business was transacted. The magistrates and county engineer will soon begin making a tour of inspection of the roads of the county.

It was ordered by the court that in the future permanent improvement of roads in the county would not be made until assurance of necessary land for the widening of these roads shall be donated free of cost to the county.

Hope you find a smile or two.

## VICTORIA LODGE NO. 84-K. OF P. JUMPING SOME

Victoria Lodge No. 84, K. of P. held a special meeting Saturday night to dispose of some of the rush of business now on hand. Twelve petitions were before the lodge, and the Rank of Page was conferred. This makes 42 additions to this lodge during this semi-annual term. The rank of Esquire was conferred on three pages Monday night and a very enjoyable meeting was held. Many out-of-town members being present. If you are a K. of P. you should attend lodge, if you are not you should join, if you can.

## NINE MINE COMPANIES RESUME OPERATIONS

Central City, Ky., May 19.—The Advance Coal Co., located at Hillside, Muhlenberg county, resumed operations today, agreeing to pay the demands of the striking miners. This makes seven nonassociation mines and two belonging to the Western Kentucky Operator's Association which have resumed.

John L. Lewis, of Indiana, and Adam Wilkinson, of Montana, representing the United Mine Workers' national organization, are here to look into conditions in the strike zone. There has been no disorder here.

## \$10,000 FOR 10 CENT BOOK

Frederick Graves, of Waterville, Me., has just been able to put the price of \$10,000 on a shabby old book which he bought for 10 cents at a rummage sale. The book is a copy of a pamphlet by Noah Webster, said to have been written and printed by Webster while he was still at school. It is understood to be quite unique, and the Waterville papers represent Harvard University as crying its eyes out because it cannot get hold of it.

## CONFEDERATE REUNION COMES TO CLOSE

Birmingham, Ala. The United Confederate Veterans brought their annual reunion here to a close today with a grand parade. The encampment, which meets in Washington next year, has been marked by few cases of accident or illness among the old soldiers.

No matter who they marry, some men always remember the first girl they ever loved. Others, b'gosh, forget which one it was.

## TWO TEACHERS EXPELLED FROM EXAMINATIONS

One Carried Ready-made Encyclopedia Ready For Any Emergency and Indexed, Is Charged

Hopkinsville, Ky., May 22.—Of thirty-nine applicants for teachers certificates, taking the examination here, two were expelled for alleged unfair methods. Both were from an adjoining county. One of these, it is said, had all sorts of information on history, geography, physiology and other studies arranged in tablets ready for reference. To make sure he wouldn't make any mistake he had prepared an index showing what "pony" he had in each pocket.

## MRS. KINCHELOE IN WASHINGTON SOCIETY

A Washington paper says: Mrs. D. H. Kinceloe, the handsome young wife of the new congressman, was the star at a very smart tea at the Congressional Club, at which she gave a musical and elocutionary recital entirely unassisted. The versatility of Mrs. Kinceloe's talents was brilliantly evidenced in a program of remarkable variety including piano, vocal and whistling solos and dialect and dramatic readings. Her whistling improvisations to her own varied and original accomplishments have given the capable young Kentuckian especial prestige on Chautauqua circuits.

## LIQUID FIRE--PAST AND PRESENT

The use by the Germans of fire-throwing machines in the assault on Verdun has been hailed as something new in military operation. As a matter of fact, liquid fire is a product of the warfare of the Middle Ages. In the strenuous days when our doughty ancestors were besieged in castles, they used to amuse themselves by standing on the ramparts and pouring boiling oil and burning pitch below. This usually proved disconcerting to the attacking party.

The Germans have gone several steps farther. All the accessories that the knights of old brought into play in the gentle art of fire-hurling were a bucket, its contents, and a good strong pair of arms. The modern Teutonic fiery fluid can be distributed much more deftly and with greater force by reason of a simple little device, known as a "fire projector." Petrol is poured into a tank under pressure of several hundred pounds per square inch. The tank is equipped with a long nozzle, and the petrol is enflamed as it leaves the nozzle by an electric spark. Thus the German soldier is able to sit safely behind his own lines and spray the enemy with fire over a distance of more than a hundred feet much in the manner of a suburbanite watering his lawn with an oversized garden hose.
